CONGRATULATIONS WAMCAT OF THE YEAR! Kelley Millar (Clerk/Treasurer - Town of Upton)

We really enjoyed Fall Institute, and we were so glad to have so many Clerks and Treasurers there to help celebrate WAMCAT's 45th year! Thank you, to everyone who was able to attend. We are already planning for next fall!

TREASURER SPOTLIGHT

Recognizing Charri Lara, City Treasurer in Lander for 19 years!

What do you plan to do in retirement? Charri is starting a new chapter with WAM, and says she looks forward to helping communities with accounting, grants, and training. She loves teaching others, and is excited to help new clerks/treasurers make their jobs more successful and rewarding.

Do you have a favorite memory to share? Charri's favorite memories are the friends she made while serving on the WAMCAT board, saying that she has been blessed to have met wonderful clerks/treasurers throughout the years, and to have created such close bonds with them.

What will you miss the most? The least? Charri says — co-workers! Her work group is very close, and they also do things together socially. Her co-workers make the workplace enjoyable and fun every day! She will also miss her time spent with colleague Julie Silbernagel. Charri and Julie have served together on many committees and boards, have traveled and taught classes together, and ALWAYS have a great time! On the flip side of the coin, Charri will not miss council meetings, saying she is tired of how mean people have become in that setting. We hear ya, Charri!

Do you have any advice for current or future clerks? Get involved! There are so many wonderful clerks/treasurers around the state that are great resources to use in everyday job duties. Charri says she has learned so much from others just by getting involved.

Thank you, Charri, for your participation and service to WAMCAT and your colleagues through the years! Enjoy your retirement!
